

Sinclair
Broadcasting is
required by law to
serve the public
interest, since they
use the public
airwaves.

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
does not serve the
public interest. It
is an obvious
attempt to influence
the outcome of the
election, not
balanced
programming.

I ask that the FCC
do its job and
either stop Sinclair
Broadcasting from
its blatant attempt
to control the
politics of this
country or at least
force them to
balance the
broadcast of this
program with a
pro-Kerry
documentary.

Sinclair's attempt
to "balance" the
anti-Kerry program
by allowing Kerry a
few minutes at the
end of the program
to attempt to deny
the allegations
shown is not enough
to counter the
compelling nature of
a carefully filmed
and edited program.

Please help us keep
the media in its
place--to help
inform, not control
our citizens.

Thank You,
Stephanie Allisany
